Sister Rufina Ivansek

Sister M. Rufina, formerly Emma Ivansek (Evansek) of St. Joseph Parish, Joliet, died of tuberculosis at the Motherhouse in the twenty-fourth year of her age and the ninth of her religious life. Having a feeble constitution she was able to labor only a few years in the school room when that insidious disease, consumption, made its appearance. Although young in years, she departed this life quite resigned to God's Holy Will.
