Sister Meinrada Theobald

On September 29, 1915, Sister M. Meinrada, formerly Anna Theobald of St. John's Parish, Joliet, died after an operation for double goiter, at St. Joseph's Hospital, Joliet, in the 23rd year of her age and the 6th of her religious life. In compliance with her father's wish, or rather demand, the operation was performed, although the danger to life of such an operation had previously been discussed and made known to the father. With some reluctance the good Sister submitted herself to the ordeal.
